

THE PARISH CHURCH OF ST ANDREW
Donhead St Andrew

Community use of the church and its resources

The Parochial Church Council is happy to encourage the widest use of the church by the village community. This is central to our Vision for the future use of the church and our Mission to provide support, nurture, resources and care for all members of the village community.

The hours taken to set-up and take-down are to be included in the number of hours for which the Church/Parish Hall is hired.

If villagers wish to organise a charity event in the church, they pay the 'registered charity' rate. If St Andrew's Church is one of the benefitting charities, the lowest charge out rate will apply.

All users are expected to wash up, sweep the floor and return everything to its 'default' location, including the chairs.

The 'Terms of Hiring' make clear that products containing chocolate are not permitted in the church and that any liquid spillages must be wiped up immediately. Enquiries and bookings - Michael Hockney : 828833, michael@hockney.me.uk
